Lakewinds Food Co-op

FARM DAY

Saturday, July 15 from 10 am to 2 pm

Meet some of the co-op's local farm partners and have some fun at the farm!

Visit local sustainable farms, learn about farming practices, and hear about their contributions to the local food system with this family-friendly day at the farm. Participating farms are past Lakewinds Organic Field Fund grant recipients, farms who drop off their CSA shares for pickup at our stores, and farms who have products on our shelves. It's a free, self-guided event, so no need to sign up.

AMES FARM

2425 County Rd. 127, Delano, MN

This honey farm and pollinator refuge produces award-winning, single-source honey. They also sell raw honey, creamed honey, honeycomb, pure beeswax candles, and beeswax wraps.

Activities: Self-guided tours, farming demonstrations about beekeeping and candle making, and farm goods for sale.

FOX & FAWN FARM

17250 County Rd. 122, New Germany, MN

They naturally grow fruit and vegetables with a focus on community, no-till, and organic principles. This small-scale family farm is in its 15th year of operation, and sells their produce mainly through CSA shares.

Activities: Hourly tours, self-guided exploration, yard games, and veggies for sale.

GREEN EARTH GROWERS

7150 Casey Parkway, Prior Lake, MN

Green Earth Growers is a women-owned farm and greenhouse. They're a Certified Naturally Grown, sustainable grower of herbs, vegetables, annuals, and flowers.

Activities: Farm goods for sale, DIY bouquets, self-guided tours, floral photo backdrop
