### **GROCERY**

### Fika Espresso 61

Fika's coffee is roasted at their brick-and-mortar café on scenic Highway 61 on Lake Superior, so you can enjoy North Shore vibes from the comfort of your own home. This full-bodied espresso is dark and sweet, the ideal companion for a tart, fruity pastry.

\$15.99-16.99 **UCCAL** 

### Peace Coffee pollinator & black squirrel blends

The Black Squirrel from local Peace Coffee is stiff competition for the best new espresso blend at the co-op. It's a bright, medium roast for those who like their coffee nice and balanced. Spring also heralds the return of the popular Pollinator seasonal blend. Made from lightly roasted Peruvian and Ethiopian beans, this fruity coffee with caramel notes is best sipped while planning your spring gardening.
