

NEW ITEMS AT LAKEWINDS, JUNE 2025

Eli's Hot Rockin' Cereal hot fonio

A few months ago we added this locally crafted hot cereal brand made with organic ingredients like steel-cut oats, quinoa, and coconut. It's packed with protein, good fats, and antioxidants. Now you can enjoy a new blend featuring fonio, a whole grain cultivated from West African grasses that is high in fiber.

Goodles noodles

Goodles mac and cheese has already proven to be popular at our stores, so now we're adding a few of their dried noodles, including cavatappi loopdy-loos, lucky penne, gluten-free lucky penne, and gluten-free twistful thinking rotini. Goodles donates 1% of their pasta to nonprofits focused on food access.

Third Coast Superior fish sauce

Let us introduce you to the first North American produced fish sauce! Founded by chefs with over 30 years of combined restaurant experience, these artisanal fish sauces are geared toward the home chef. Made using sustainably caught Lake Superior herring, these sauces have a clean, fresh, and deeply flavorful taste that will enhance everything from pasta sauces to salad dressings to marinades.

\$20.99-27.99 ❤️ LOCAL

Thousand Hills fresh beef patties

Running short on time for dinner? Skip the patty-making process without losing the quality you want with premade burgers from local Thousand Hills. These are made using the same grass-fed ground beef you already love. Enjoy either classic burgers or opt for the steakhouse seasoned patties.

Ferndale Market turkey bratwursts

It's no secret that local co-ops love Ferndale turkey! This family-owned farm has been raising free-range turkeys in Cannon Falls for decades. This month we added three new flavors of their turkey brats: wild rice, cheddar, and beer. They're the perfect smoked brats for folks looking for an alternative to pork.

Wellness

David's toothpaste

Sick of mint toothpaste? That might be reason enough to try this new toothpaste! David's is available in fun flavors like orange vanilla and strawberry watermelon for a fresh take on brushing. David's also uses hydroxyapatite instead of the fluoride used in most conventional toothpaste brands.
