

LOFF PROJECT BUDGET & PROJECTED INCOME

Please be as detailed as possible when filling out the 'materials' and 'projected income' tables. Thank you!

LOFF Project Budget		Notes or descriptions to share with selection committee
Material (please list individually)	Material Cost	
Total cost of materials		

Other Expenses	Expenses Cost
<i>Examples: grading, shipping, excavation, licensure, surveying, etc.</i>	
Total other expenses	

Labor (Paid)	Labor Cost
Labor contributed by your farm (aka "sweat equity")	
Other labor costs	
Total cost of labor	

*Please give a ballpark valuation of hourly work contributed by the farm, even if it is unpaid. Example:
Farmer will provide roughly 20 hours of labor valued
at \$20/hr = \$400*

Total Project Budget	
-----------------------------	--

(materials + expenses + labor)
