

# NEW ITEMS AT LAKEWINDS, NOV. 2025

## Satsuma mandarins

Enjoy a bit of the tropics with these beloved citrus fruits, now in season and on shelves. Satsumas are some of the sweetest, juiciest mandarins around, and they're at peak right now. Enjoy them while they last!

\$3.99/lb

## 18 Chestnuts soups

Just in time for cozy season, this line of vegan, gluten-free soups are just what you need to warm up, mind, body, and soul! Each 16 oz. jar contains enough for 2 servings and can be easily resealed and refrigerated for up to five days. Look for yummy flavors like carrot ginger dill, butternut squash pear, and classic Tuscan tomato.

\$10.99

## Fresh Wave odor eliminating gels

These air fresheners are an entirely new way to fight odors at home or in the car. The gel absorbs odors for up to 30 days: Just set it and forget it! Each jar is made with a variety of natural plant oils to replace bad smells with the aromas of nature.

\$9.99

## Heaven Gluten Free banana breads

The couple behind Heaven began their journey at home, baking delicious sourdough bread that's 100% gluten-free. They decided to share their creations with the wider community, providing a rare treat for those avoiding gluten. Now you can enjoy gluten-free sourdough banana bread in either cinnamon or chocolate chip varieties.

\$17.99  LOCAL
