

New AT THE CO-OP

AUGUST 2026

Hazel Heart Farms Midwest Munch

New to the shelves this month are local hazelnut snack mixes from Hazel Heart Farms. This collective of family farms are spread throughout the Midwest, including Minnesota, Wisconsin, Iowa, and Illinois – working together to highlight perennial hazelnuts with a crunch. Flavors you can find at the co-op are: Coffee + Cardamom, Sweet + Salty and Smoky + Savory!

Dr. Bronner's Travel-Sized Soaps

Founded in 1948, Dr. Bronner's is a co-op staple. With its distinctive packaging and advertised "18-in 1" uses, you've probably seen this pure castile soap in 32-oz. containers. Now it also comes in handy 3.4-oz. bottles that are perfect for popping in your purse, available in lavender, almond, baby unscented, citrus, and peppermint.

Evan Healy Body Lotions

Evan Healy has been recognized as the world's first Regenerative Organic Certified brand by the Regenerative Organic Alliance, and the shea butter base in these lotions can be traced directly to the Kperisi Village Women's Cooperative in Ghana, supporting fair-trade labor and traditional extraction methods. Lotion scents include neroli frankincense, patchouli vanilla, and sweet blossom.

Evan Healy Body Butters

Lotions are great for daily use and over the warmer months, but when fall arrives it's time for body butter. The rich feel of Evan Healy body butters made with shea butter is a luxurious way to treat your skin and lock in moisture as the weather turns dryer. These warm-scented butters are perfect for dry or rough skin – and a little goes a long way!
